Experience

● UI/UX Designer Intern

Atote Consult Firm

Jan 2024 - Mar 2024

I designed and built a user-friendly website for a Atote project using Figma. This involved creating wireframes, conducting user research, and collaborating with developers to implement the design effectively.

● Frontend Developer Intern

Atote Consult Firm

Mar 2024 -April 2024

I interned as a Frontend Developer at Atote Consult Firm, where I focused on creating user-friendly web interfaces. Using React.js and Tailwind CSS, I collaborated with the design team to bring UI/UX designs to life, making sure they were responsive and visually appealing.

● UI/UX Designer Intern

Tech Alpha

April 2024 -May 2024

In my role as a UI/UX Designer Intern, I create intuitive and user-centered designs using Figma, focusing on enhancing user experiences.

● ERP Support Intern

Endeavour Africa Limited

May 2024 - August 2024

In my role as an ERP Support Intern at Endeavour, I provide support to clients encountering issues with their ERP system. This involves troubleshooting problems related to SQL Server, Point of Sale (POS) systems, and various other components. I assist in resolving issues promptly to ensure smooth operation of the systems.

● Web Developer/Programmer Intern

Universal Phoenix Group, LLC

September 2024- December 2024

In my role as a Web Developer/Programmer Intern, I design intuitive UI/UX prototypes using Figma and develop responsive web interfaces with Next.js and Tailwind CSS, collaborating with backend developers to ensure seamless integration and functionality.
